

# I Got A Pea

By Bryant Oden (songdrops.com)

Today for show and tell I'm so excited I might yell  
Can't wait to show you it's so cool  
I went to Grandma's yesterday, worked in her garden the whole day  
She let me bring some veggies here to school  
I got a carrot  
I got a yam  
I got a green bean, fresh not from a can  
Got a potato and as you can probably see  
I also got a pea

I got a pea  
I got a pea  
Why is everyone laughing at me?  
So if you find a little pea on the floor after I leave  
I think it probably belongs to me.

I got a pumpkin  
I got a squash  
I got some lettuce I still need to wash  
I got an onion and some broccoli  
I also got a pea

I got a pea  
I got a pea  
Why is everyone laughing at me?  
So if you find a little pea on the floor after I leave  
I think it probably belongs to me.  
Yes if you find a little pea on the floor after I leave  
I think it probably belongs to me.
