

# The Silly Bands Song

By Bryant Oden (songdrops.com)

Spoken: You mean you're going to take them? No, no. Please don't.

It's been 3 days since my teacher  
Took my silly bands  
I think it was an illegal seizure  
And I just can't understand

Spoken: How could you?

She said she took the action  
Because it was for the best  
She said they were a distraction  
While she was trying to give a test

Ohhhhhh

My arm it feels so lonely  
But I'm trying to be strong

Ohhhhhh

I keep thinking if only  
She would see she did me wrong  
How many more long, long days  
Must I wait until they're free

Ohhhhhh

Teacher, please give my silly bands back to me  
How many more long, long, long days  
Must I wait until they're free

Ohhhhhh

Teacher, please give my silly bands back to me

Spoken: I won't do it again. Please?
